Supervisor DeMotts certified that she removed herself from discussion of the former Blacksburg Middle School property as follows:

Pursuant to the Virginia Conflict of Interest Act, I, April DeMotts, a member of the Board of Supervisors of the County of Montgomery, Virginia, make the following disclosure:

1. The Board of Supervisors are currently considering proposals that were received in response to the Request for Proposals the Board issued seeking an interested Purchaser of the Old Blacksburg Middle School property. The names of the bidders who submitted proposals in response to the Board RFP have not been released to the public because the Board is still in the process of considering the proposals and has not selected an offeror.
2. I am currently in a long term relationship with a man (I am not married so I will refer to him as "my significant other") whom I reside with along with our children, and I share with him in the day to day household finances.
3. My significant other owns a small business in Montgomery County and has a personal interest in the Old Blacksburg Middle School Property RFP transaction being considered by the Board due to having an on-going business relationship with one of the business entities that has submitted a proposal to purchase the Old Blacksburg Middle School. My Significant other may realize a reasonable foreseeable direct or indirect economic benefit should the business he has an on-going business relationship with acquire the property from Board of Supervisors and develop the property.
4. I wanted to be clear in my disclosure that my significant other does not meet the definition of immediate family as that term is currently defined under the Virginia Conflict of interest Act. However, with the exception of having a marriage license, our relationship is very much like a married couple in that we share a home together, share in the finances and in the raising of our children.
5. Because my significant other has a business relationship with one of the entities bidding on the Old Blacksburg Middle School Property and in order to avoid any appearance of impropriety on my behalf, I will be abstaining from voting on the selection of bidders seeking to purchase the Old Blacksburg Middle School Property at this time and will not be participating in the Old Blacksburg Middle School RFP process currently before the Board.

A member should never request or accept for himself or herself or for family members, favors or benefits under circumstances which might be construed by reasonable persons as influencing the performance of governmental duties, or employees.
7. Make no private promises of any kind binding upon the duties of any office, since a public servant has no private word which can be binding on public duty.

8. Engage in no business with the county government, either directly or indirectly, which is inconsistent with the conscientious performance of government duties except as may be consistent with the State and Local Government Conflict of Interest Act.
9. Never use any information gained confidentially in the performance of governmental duties as a means of making private profit.

12. Avoid using the position of public trust to gain access to the media for the purposes of criticizing colleagues or citizens, impugning their integrity or vilifying their personal beliefs.
13. Make sure, when responding to the media, that a clear distinction is made between personal opinion or belief and a decision made by the Board of Supervisors.
14. Review orally and in public session at the annual organizational meeting each of these principles.
15. Pledge to honor and uphold these principles, ever conscious that public office is a public trust.
16. The Board recognizes that its primary role is to make policy and therefore will focus on issues pertaining to programs, operations and issues.

### **STANDARDS OF CONDUCT**

Recognizing that persons holding a position of public trust are under constant observation by the media and interested county residents, and recognizing that maintaining the integrity and dignity of the public office is essential for maintaining high levels of public confidence in our institutions of government, every member of the Montgomery County Board of Supervisors should adhere to the following Standards of Conduct:

1. Avoid, during public meetings and during the performance of public duties, the use of abusive, threatening or intimidating language or gestures directed at colleagues, citizens, or personnel.

## **PRESENTATIONS**

**Virginia Department of Transportation** - David Clarke, VDOT, provided an update on road projects/issues in Montgomery County as follows:

- Brush Creek Road (SR 617) – Still repairing section of the road that was damaged due to the flooding in September.
- Ellett Road (SR 723) – patching work near the town limits. \
- North Fork Road (SR 603) – major construction project to upgrade the road is on-going.
- Piney Woods Road (SR 600) project still on-going.
- Six-Year Road Improvement Plan for Secondary Roads – Mr. Clarke requested the Board hold their public hearing for the Six-Year Road Plan in April. He reported that small amount of funding received is already allocated to the roads on the current Six-Year Road Plan. He did recommend adding Fairview Church Road to the list in order to replace the low water bridge.

Board of Supervisors Comments:

Supervisor King expressed his appreciation for the work VDOT performed on Brush Creek Road and for the brush cutting on Union Valley Road.

Supervisor Creed received several phone calls complimenting VDOT for the work done on Willis Hollow Road as it was the best grading job done on the road.

Supervisor Perkins asked if there is any additional information to be provided on the Town of Blacksburg's request for funding to improve the intersection at U.S. 460 and South Main Street. Mr. Clarke replied that the Town of Blacksburg submitted an application and is still in the evaluation stage.

Supervisor Sheppard expressed concern with the speed limit on Merrimac Road near the one lane bridge and asked if it could be reduced. The majority of the road is 35 mph. Mr. Clarke stated he will request a speed study to be performed since there has been growth in the area, but would like Board consensus. By consensus, the Board agreed that a speed study needs to be done on Merrimac Road to reduce the speed limit.

**Parents Advocacy and Advisory Council of Southwest Virginia** - Teresa Barringer made a presentation on the Parents Advocacy and Advisory Council of Southwest Virginia (PACC). Ms. Barringer reported that the PACC is a group advocating for the intellectually and developmentally disabled adults by petitioning to keep the Southwest Virginia Training Center in Hillsville, Virginia open. The Southwest Virginia Training Center in Hillsville serves Montgomery County and 16 other counties and four cities in Southwest Virginia which is scheduled for closure in 2018.

Virginia had five training centers when the United States Department of Justice initiated an investigation into Virginia's system in response to a complaint that an IDD family member was capable of living in a community setting, yet they remained at a training center. After a three-year investigation, DOJ determined that the state was "warehousing" the people in the institutions instead of providing adequate community-based services.

After a year of negotiations between Virginia and the Justice Department, then-Governor Bob McDonnell signed an Executive Order to close four of the state's five training facilities. One, in Petersburg, has already been closed, and SWTC is slated to close in June, 2018.

Even though the Governor ordered the facilities closure, the ruling judge stated "nothing in the decrees compels Virginia to close any facility. If it deems wise, the General Assembly (or the Governor) can appropriate funds to continue to operate some or all of the Training Centers, even while funding the Medicaid waivers."

Ms. Barringer asked the Board's support in contacting the Virginia General Assembly to prevent the closing of the Southwest Virginia Training Center.

## **PUBLIC HEARING**

### **Fiscal Year 2016-2017 County Budget**

The purpose of this public hearing is to gather citizen comments on the upcoming FY 2016-2017 fiscal year budget.

Randy Bond, representing the New River Valley Children's Advocacy Center (NRVCAC), spoke about their request in the FY 2017 Budget for funding. Mr. Bond provided information on services the Children's Advocacy Center provides and how it benefits the community. Since it's opening in 2012 the NRVCAC has interviewed 323 children, with 163 children from Montgomery County. Mr. Bond thanked the Board for the opportunity to submit a budget request and asked the Board for their consideration for funding during their budget process.

There being no further speakers, the public hearing was closed.

## **PUBLIC ADDRESS**

Clarence Worrell, who worked 15 years in the Clerk of the Circuit Court Office, addressed the Board about not being reappointed to his position. Mr. Worrell stated it has been an honor serving the citizens of Montgomery County. He also read several letters he has received over the years from citizens expressing their appreciation for his help when they came into the Clerk's office.

James Willis expressed his concerns with the Clerk of the Circuit Court for not reappointing four senior staff members and the demotion of one staff person who decided to resign. Mr. Willis believes that the Clerk acted in a way that constitutes not only an abuse of her office but also demonstrates incompetence in the performance of her duties. He stated the Clerk, during her campaign, continually talked about her dedicated staff. Mr. Willis stated that the Board does have means to hold the Clerk of Circuit Court accountable for her actions. He stated that the voters also have the means by state law to remove the Clerk. Mr. Willis reported he has drawn up a petition to allow the registered voters of Montgomery County to have Erica Williams removed from the office of the Clerk of Circuit Court.

Vicki Jo Naff Duncan expressed her concerns with the Clerk of Circuit Court removing five staff members from the Clerk's office. Ms. Duncan believes it was the work ethic of these five employees that made Ms. Williams look good the last eight years. Ms. Duncan also pointed out that the five employees removed from office did not openly campaign for Ms. Williams as the remaining employees did.

Parker Walters expressed his disappointment in the Clerk's actions by not reappointing five valuable employees. Mr. Walters stated he had a wonderful experience getting his passport with the help of Clarence Worrell.

Barbara Middleton stated that the action of the Clerk of Circuit Court was a true eye-opener and asked if the employees can be reinstated. Ms. Middleton stated it is a shame that Diana Vaught, who is months away from retirement, has been cheated on her years of service. She praised each employee that was not reappointed.

Betty Greene stated she does not know the five employees that were dismissed from the Clerk's Office and does not know Erica Williams, the Clerk. She stated that as a taxpayer in Montgomery County she is appalled by the actions of the Clerk and questioned the Clerk's judgment. It makes her wonder how Ms. Williams will handle the Office of the Circuit Court for the next eight years. Ms. Greene asked if the decision to dismiss the employees was the right thing to do and in the manner in which the Clerk did it.

Kenneth Hester questioned the manner and timing of the dismissal of the five employees in the Clerk's Office. Mr. Hester stated that the Clerk of the Circuit Court let 56% of her staff go and questioned how she can effectively operate an office without 56% of her staff. Mr. Hester questioned how another office knew that employees of the Clerk's Office were not going to be reappointed before the employees themselves knew.

Anthony Needham, who serves as the Democratic Chair for District B and also an attorney, spoke about the actions of the Clerk of the Circuit Court. Mr. Needham spoke on how important the Clerk's Office is to the citizens of the County and how the Clerk has crippled the office by not reappointing five employees. He stated that this has created a burden to other Clerk of the Circuit Court offices that has provided help to Montgomery County and believes the County will feel the effects of this action. He asked when did the Democratic Party become about taking up with the big guy to take advantage of the little guy. He stated that Ms. Williams has not acted in a way that the Democratic Party should act. Mr. Needham asked the Board to eliminate any county supplemental funding to Ms. Williams' salary.

Laura Helms requested the Board to ask the Virginia Department of Transportation to repair Yellow Sulphur Road. Ms. Helms indicated that Yellow Sulphur Road has several large potholes. Ms. Helms also addressed the actions taken by the Clerk of the Circuit Court. She believes that all constitutional offices should be eliminated and not be politically based. She asked that the County consider a benefit package for the dismissed employees to help with their insurance costs for a couple of months.

Kim McKittrick, Clerk for the General District Court, stated there is a code of conduct that prevents her from speaking freely; however, she spoke highly of the five employees that were dismissed from the Clerk of Circuit Court Office. Ms. McKittrick stated she is accountable for all her hours and is expected to be a leader and takes up for her staff.

Jeremy Cultice expressed his concerns about the Clerk of Circuit Court not reappointing five staff members. He believes that she needs to be held accountable for her actions, and he is upset that a portion of his tax dollars goes toward supplementing the Clerk's salary.

Fran Echols, President of Thompson Tire, commented that what she has witnessed in Montgomery County is awful. She believes that no office should be that powerful, to remove employees in such a manner. Ms. Echols pointed out that the Clerk can be removed from the office.

Dan Brann - what the County needs is for the five employees to work and the Clerk stay home.

Zachary Delaney stated he was taught in his high school government class that government can be cold but Allan Worrell in the Clerk's Office taught him different. It upsets him to think that the Clerk's Office can do something so cold and there is nothing we can do about it.

Christine Nester moved to Montgomery County and is now concerned about what Montgomery County is becoming. She hopes that the Clerk of Circuit Court's actions do not cause the younger demographic to leave because of bad government. She emphasized that the Clerk's office needs experienced staff members.

Bruce Altis deems it is a shame that an elected official has treated employees who have served the County for numerous years the way she has. The employees have served most of their lives in the Clerk's office and have gone above and beyond the call of duty. He also sees this as a slap in the face to terminate an employee who is within four months of retiring. He offered to be the first one to sign the petition to remove Erica Williams from office.

Teresa Pettus requested that the Board of Supervisors hold a forum for citizens so questions can be answered regarding the Clerk of Circuit Court's decision not to reappoint five of her staff members. Ms. Pettus also urged the Board to reinstate the employees insurance for a little while until the employees can figure out what they will do.

Dee Costello described how she has used the Clerk's Office numerous times over the years and have received wonderful customer service. She believes what the Clerk has done was wrong and asked the Board to do what they can in order to get the five staff people their jobs back.

Bill Turner thanked VDOT for making repairs on Ellett Road. Mr. Turner also urged the Board to do what they can to help the five staff members who lost their job.

Rob Kissling stated he has his own business and has to hire and fire people in the course of business. Mr. Kissling explained that there has to be a lot of documentation to fire employees and he believes the five employees fired from the Clerk's Office were doing their jobs.

Wayne Worrell questioned the Clerk of Circuit Court's character.

There being no further speakers, the public address session was closed.

## **RECESS**

The Board took a 15 minute recess at 9:20 p.m. and reconvened at 9:35 p.m.

## **CONSENT AGENDA**

- Distributed a copy of the FY 2017 Budget Calendar. He made note special budget work session meetings as follows: March 7, March 21 and April 18. The public hearing on the FY 2107 Budget is scheduled for Thursday, April 7, 2016.
- The County Administrator welcomed the new Board members, April DeMotts and Darrell Sheppard.

- Reminder – Board Planning Work Session scheduled for February 5 & 6, 2016.
- Catawba Hospital Closing: Roanoke County Administrator called requesting Montgomery County's support in opposing the closing of Catawba Hospital. Board members requested staff provide a draft resolution at their next meeting for consideration. There is a great need for residential care for those who can't take care of themselves.

## **BOARD MEMBERS REPORTS**

**Supervisor King** thanked the citizens who attended the Board meeting tonight. He also thanked the County Administrator for all that he does. Supervisor King invited everyone to attend the Riner Fire Department Annual Oyster & Turkey Dinner Fundraiser on Saturday, February 1, 2016.

**Supervisor Biggs** welcomed April DeMotts and Darrell Sheppard as new Board members. She also congratulated Supervisor Tuck and Supervisor Creed for being elected Chair and Vice-Chair.

Supervisor Biggs requested a resolution of recognition for Coach Frank Beamer, retiring as head coach at Virginia Tech and for Joe Ivers and Sarah Woosley for serving on the Montgomery County School Board.

Supervisor Biggs asked if there is a way to educate the citizens on the Board of Supervisors' role regarding elected officials. The County supplements the Constitutional Officers' salaries.

Supervisor Perkins asked the process for a recall election. The County Attorney explained the process according to the Code of Virginia. A Constitutional Officer may be removed from office by a judge for neglect of duty, misuse of office, or incompetence in the performance of duties has a material adverse effect upon the conduct of office. A petition has to have 10% of the number of registered voters who voted in the election for that office. In the November 2015 election, 18,472 votes were cast for the Clerk of Circuit Court office. The petition will require 1,847 signatures of registered voters.

The Board asked the County Attorney to advise them about its legal options regarding personnel decisions made by the Clerk of Circuit Court. Supervisor Tuck suggested a closed session if it is appropriate. Several Board members stated the discussion should be open to the public unless it was a personnel matter, then a closed session was preferred, but the Board should address the public at some point.

**Supervisor Perkins** congratulated Supervisor Tuck and Supervisor Creed on being elected Chair and Vice-Chair. She also welcomed the new Board members. She is looking forward to working with the new leadership and new board members as the County moves forward into a new year. She advised don't let your yesterday control your today.

**Supervisor Sheppard** thanked everyone for helping him and making him feel welcome.

**Supervisor DeMotts** revealed that she is nervous and excited at the same time for her first meeting. She congratulated Supervisor Creed and Supervisor Tuck on being elected Vice-Chair and Chair.

Supervisor DeMotts reported that she, along with Supervisor Sheppard, attended the Virginia Association of Counties New Supervisor Forum where they both received a lot of good information.

**Supervisor Tuck** thanked all the citizens who came out to the Board meeting tonight. He stated on a personal level and as an attorney that it hard to see five long-term employees in the Clerk of Circuit Court office dismissed. He is disappointed in the Clerk’s actions.

Supervisor Tuck welcomed new Board members, April DeMotts and Darrell Sheppard. He explained that he and Supervisor Sheppard share a common bond as they are both related to former Board member Ira D. Long.

**ADJOURNMENT**

The Chair declared the meeting adjourned to January 25, 2016 at 6:00 p.m. The meeting adjourned at 10:40 p.m.
